Profile

Highly motivated IT student with a strong work ethic and the ability to thrive in dynamic environment. Eager to learn and begin an internship at a reputable IT company to build a strong foundation for a successful career and contribute to innovative solutions.

Education

Application of Information Technologies, Faculty of Computer Science and Engineering, Skopje

OCTOBER 2021 – PRESENT

Actively working towards graduation, focusing on gaining hands-on experience and deepening knowledge in Application of Information Technologies.

Computer Engineering and Automation, Kiro Spandzov - Brko, Kavadarci

SEPTEMBER 2017 – JUNE 2021

Graduated with perfect GPA.

Technical Skills

- Basic experience with **SQL**, using **Azure Data Studio** to connect SQL Server databases, perform queries, and manipulate data.
- Worked in **Python** (Google Colab) on **web scraping**, HTML parsing, and data processing with **Pandas**. Explored **machine learning** concepts such as KNN, data cleaning, model training, and result visualization.
- Built a simple **Spring Boot web application** in **IntelliJ IDEA**, integrating **Thymeleaf** for HTML templates and using an **H2 in-memory database**.
- Developed a **web application** in **Django** (PyCharm), designing models, an admin panel, and basic web forms, while using **HTML**, **CSS**, and **Figma** for UI prototyping.
- Gained fundamental knowledge of **C** and **C++**, working on simple projects in **CLion IDE**.
- Created a small **3D treasure hunt game** in **Godot Engine**, focusing on environment design and scripting.
- Familiar with **Git** and **GitHub** for version control, including cloning repositories, managing branches, and committing changes.
- Used **JIRA** for basic team collaboration and issue tracking.
- Developed a **digital library** for a hometown project using **Greenstone**.
- Basic understanding of **data structures**, including **singly and doubly linked lists**, with an interest in exploring **hashmaps**.

Work and Travel Program – USA, Wildwood, New Jersey

JUNE 2024 – OCTOBER 2024

Gained valuable international work experience, demonstrating strong work ethic, adaptability, time management, organizational skills and effective communication. Developed problem-solving skills, attention to detail, and the ability to work efficiently in diverse, collaborative teams

Work and Travel Program - Germany, Hanau am Main

JUNE 2023 – SEPTEMBER 2023

Gained international work experience, improving German language skills and demonstrating strong work ethic, adaptability, and effective communication. Developed problem-solving, attention to detail, and teamwork skills.
